Miss Smith will make a new math game.

A thick broth is good in cold months.

I think the moth went down that path.

▲ Seth's Pet Sloth

It is the tenth of the month. Seth hears a thud and then a thump. He thinks it is his pet sloth taking a bath. Seth looks in the bathtub. The sloth is full of filth. Seth gives the sloth a thick cloth to scrub. The sloth is thrilled to be clean. The sloth thanks Seth for the bath.

Where does Seth find the sloth?

How does the sloth feel about being clean?
